The image displays six cross-stitch patterns for the letters G, H, I, J, K, and L. Each pattern is presented in a diamond shape within a shield-like frame. A red triangle points downwards from the top center of each shield. To the left of each shield is a legend indicating the number of dark pixels (represented by a dark grey square) and light pixels (represented by a white square). The patterns are arranged in two rows of three.

The image displays six pixel art patterns for the letters M, N, O, P, Q, and R. Each pattern is contained within a shield-shaped frame with a red triangle at the top. The patterns are arranged in two rows of three. Each pattern includes a legend with black and white squares and a count for each color. The patterns are surrounded by a grid of thin lines.

- W-AL M:** Legend: 50 black, 50 white.
- W-AL N:** Legend: 54 black, 46 white.
- W-AL O:** Legend: 50 black, 50 white.
- W-AL P:** Legend: 49 black, 51 white.
- W-AL Q:** Legend: 43 black, 57 white.
- W-AL R:** Legend: 55 black, 45 white.

The image displays six pixel art patterns for the letters S, T, U, V, W, and X. Each pattern is presented within a diamond-shaped grid (10x10 pixels) and includes a legend for pixel counts and a red triangle marker at the top.

- W-AL S:** Legend: 49 dark, 51 light. Red triangle pointing down.
- W-AL T:** Legend: 36 dark, 64 light. Red triangle pointing down.
- W-AL U:** Legend: 54 dark, 46 light. Red triangle pointing down.
- W-AL V:** Legend: 32 dark, 68 light. Red triangle pointing down.
- W-AL W:** Legend: 48 dark, 52 light. Red triangle pointing down.
- W-AL X:** Legend: 34 dark, 66 light. Red triangle pointing down.

Each pattern is surrounded by a grid of reference lines, including a central crosshair and corner markers, to facilitate alignment and scaling.
